

# **Prioritizing cancer health equity at the legislative level**

Rep. Kendra Johnson

## The AATF

- Created by FY21 Grant-In-Aid Legislation (Section 39 of Senate Bill 260)
  - Charged to study and make recommendations to the Delaware General Assembly and Governor regarding inequities experienced by African Americans in Delaware, including in the following areas:
    - Education, Health Care, Housing Business & Economic Development, Community Empowerment, Environmental Justice, Community Violence Criminal Justice.
- 

## **Task Force Details & Deliverables**

Required to create four subcommittees  
Economic Opportunity,  
Safety & Justice,  
Infrastructure & Environment,  
Health & Welfare \*

Required to issue a final report to the 151st General Assembly, including findings and recommendations

\* H & W has 4 research groups that explored disparities involving Health & Welfare

# H & W Subcommittee recommendations related to cancer health equity: **A Scenario**

- What is needed to create an implementation agenda, to lead to action via legislation and funding
  - What are potential impacts that legislation and support might lead to, for residents, the medical community, and government.
- 

Thank you.
