

CANCER SUPPORT COMMUNITY DELAWARE

Nicole Topkis Pickles, Executive Director Cancer Support Community Delaware

> Delaware Cancer Consortium April 11, 2022

Benefits of Virtual Services

Quotes directly from CSCDE's participants during the past two years:

"Not feeling isolated and with fellow travelers on our journey with cancer"

"With COVID I feel blessed to be part of a community and feel connected"

"It may not be the same as being in person, but it still has given us a way to be forever connected while at the same time protecting our compromised immune systems"

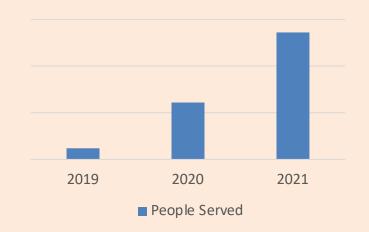

Dramatic Increase in Numbers

Cancer patients, caregivers and family members served throughout DE:

2019: 1,200 people served

2020: 6,100 people served

2021: **13,600** people served

Role of Social Media, Website and

Other Tools

Reaching more people and untapped communities

SUPPORT GROUP

6:30pm via Zoom

1st Monday of the Month

<u>LinkedIn</u>

Keystones to Success

- -Increased value of community partnerships
- -Flexibility of funders, grantors and foundations
- -Incyte Cancer Care Assistance Fund

Looking Forward

Mission impact of COVID-19 on the future of CSCDE

- Re-evaluate our support and program offerings
- Re-evaluate our delivery model: Hybrid Platform
- Reassess marketing strategies
- Add a new mission component financially assisting cancer patients in Delaware
