

CANCER SURVIVORSHIP E-LEARNING SERIES FOR PRIMARY CARE PROVIDERS

CancerSurvivorshipCenterEducation.org

Launched in April 2013, The National Cancer Survivorship Resource Center's E-Learning Series is designed to heighten the awareness of the ongoing needs of cancer survivors and gives primary care providers **free continuing education credits** with first-hand patient experiences, presentations by national leaders on survivorship issues, and case studies. The goals of the series are to:

- To provide information on how to tailor care to cancer survivors; and
- To teach primary care providers the skills they need to provide follow-up care for cancer survivors.

Over 2,400 individuals from 35 countries have accessed the E-Learning Series

Module 1: **Current Status of Survivorship Care and the Role of Primary Care Providers**

Module 2: **Late Effects of Cancer and its Treatments:**
Managing Comorbidities and Coordinating with Specialty Providers

Module 3: **Late Effects of Cancer and its Treatments:**
Meeting the Psychosocial Health Care Needs of Survivors

Just Added

Module 4: **The Importance of Prevention in Cancer Survivorship:**
Empowering Survivors to Live Well

Module 5: **A Team Approach: Survivorship Care Coordination**

New modules will be added on prostate, breast, and colorectal clinical follow-up guidelines.
